MEMORANDUM

To: Members, Indiana Professional Standards Board

From: Shawn Sriver, Director, Division of Professional Standards

Date: June 20, 2007

RE: Visiting Teacher Permit

At the March advisory board meeting, staff presented the concept of a new permit, called the visiting teacher permit, for the board's consideration. This permit would teachers who participate in the Department of Education's Visiting Teacher program to receive a permit from the division of professional standards. This permit would be valid for three years. Like the emergency permit, the participating school district would initiate the request and the candidate would need to meet certain criteria, as verified by the Foreign Ministries of Education.

Staff Recommendation

The advisory board approve the staff recommendation to post a Notice of Intent for 515 IAC 9-1-30, the rule for the visiting teacher permit.
